OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 30 June 1959

1. The Director, accompanied by Messrs. Bissell, Amery, White and Warner appeared before the CIA Subcommittee of House Armed Services. For full details see Memorandum for the Record dated 1 July 1959.

2. Met with John Mitchell, Chief Counsel of the Moss Information Subcommittee, to deliver the letter signed by the DCI on 30 June 1959. Mitchell suggested we should discuss the matter with Paul Southwick which I did. Mr. Southwick read the Director's reply and asked a number of questions. He indicated that we still had not answered the last two paragraphs of Mr. Moss' letter of 22 June. I explained that since the alleged facts giving rise to the issue were not true and our letter explains these matters, consequently there are no issues. Mr. Southwick insisted that these would be required. It was left that I would examine the matter further and be in touch with him.
